## Professional Summary

Computer Science student with hands-on experience in MERN stack development and a strong interest on software Engineering. Passionate about Building full-stack web applications and continuously improving problem -solving skills through DSA

---

## SKILLS

- |                    |                                                |
|--------------------|------------------------------------------------|
| • <b>Languages</b> | Java, JavaScript, SQL, Python (Basics)         |
| • <b>Frontend</b>  | React.js, HTML5, CSS3, Tailwind CSS, Bootstrap |
| • <b>Backend</b>   | Node.js, Express.js                            |
| • <b>Databases</b> | MongoDB, MySQL, Mongoose                       |
| • <b>Tools</b>     | Git & GitHub, REST API                         |
- 

## EDUCATION

### Bachelor of Engineering in Computer Science and Engineering

Sep 2023 – July 2027

KLE College of Engineering and Technology, chikodi (VTU)

- GPA: 8.63 , Relevant Courses: Programming in Java, DSA in Java, MERN stack.
- 

## PROJECTS

### Airbnb - Inspired Property Rental System

- Developed a full-stack MERN application inspired by Airbnb with user authentication, property listing management, reviews and image uploads.
- Implemented CRUD operations, session based authentication, MongoDB integration, and interactive maps using Leaflet with OpenStreetMap.
- Deployed the application on Render and managed the codebase using Git and Github.
- Technologies : Node.js, Express.js , MongoDB, JavaScript , HTML, CSS, Bootstrap, Passport.js, Cloudinary, Leaflet, OpenStreetMap, Render, Git and Github

### ATM Management System(Java-Miniproject)

- A console-based ATM program in Java. Features include 4-digit PIN validation with retry limit, menu-driven deposit and withdrawal operations, and a transaction summary counter.
- 

## INTERNSHIP EXPERIENCE

Oct 2025 - Nov 2025

### Java Developer Intern

At Saiket Systems

- Worked on multiple Java-based projects including Calculator, To-Do List, Banking System, and File Analyzer. Strengthened skills in Core Java, OOP, exception handling, and file I/O through hands-on implementation.
- 

## CERTIFICATES

### Programming in Java

- |                                                                         |          |
|-------------------------------------------------------------------------|----------|
| • NPTEL Elite + Silver Certificate from IIT Kharagpur with Score 80/100 | May 2024 |
| • Duration 12 weeks                                                     |          |

### DSA with Java

- |                                                                                 |          |
|---------------------------------------------------------------------------------|----------|
| • Completed DSA with Java course from Apna college                              | Sep 2025 |
| • Topics : Arrays, Recursion, Linked Lists, Trees, Graphs, Dynamic Programming. |          |

### MERN Stack Development

July 2026

- Gained practical experience in React.js, node.js, Express.js , MongoDB , REST API, authentication,CRUD operations and deployment.
